Yes

But you should call Neima and explain we met with RAP regarding his last request and btw he specifically told you he would call you and not email your scheduler.

RAP has asked to meet with him and our understanding is that they have already reached out.

This is very alarming-

We need to share this with RAP and CM Wesson, Price and Harris-Dawson. Maybe even the city attorney because it seems to point to a potential law suit.

Let discuss.

Thank You,
